

## ProQuest 校外访问流程

(1) 使用非校园 IP 地址打开浏览器，输入 <https://search.proquest.com>，点击右侧“使用贵组织的本地登录信息”。

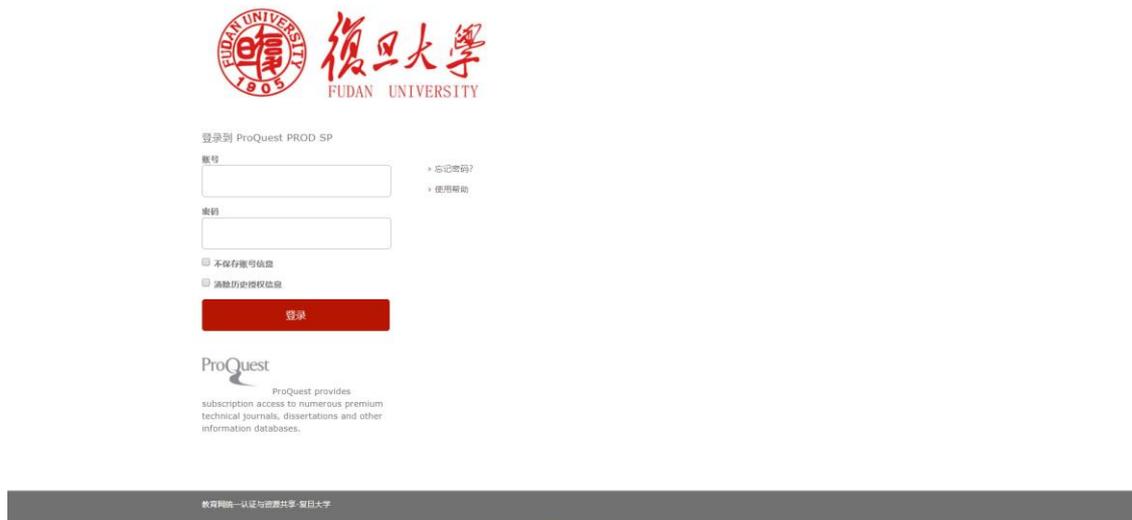

The screenshot shows the ProQuest login page. The main heading is "想要访问 ProQuest 上的内容?" (Want to access content on ProQuest?). Below it, there are two main options: "通过您的图书馆或单位连接" (Connect through your library or organization) and "或使用您的 ProQuest 帐户登录" (Or log in with your ProQuest account). The first option has a search box for the organization name and a "查找" (Search) button. The second option has fields for "ProQuest 用户名" (ProQuest username) and "ProQuest 密码" (ProQuest password), with a "登录" (Log in) button. On the right side, under "其他访问选项。" (Other access options.), the option "使用 OpenAthens 登录信息" (Use OpenAthens login information) is highlighted with a red box. Below this, there are links for "联系支持人员以寻求帮助" (Contact support staff for help) and "查看支持中心文章, 了解更多详情" (View support center articles for more details).

(2) 在框内搜索“Fudan University”，并点击搜索结果“Fudan University”

The screenshot shows the ProQuest search interface. The heading is "查找您的单位以登录" (Search your organization to log in). There is a search input field containing the text "fudan" and a search button. Below the input field, a dropdown menu is open, showing the search result "Fudan University". The search input field and the dropdown menu are highlighted with a red box. At the bottom of the page, there is a note: "如果您的单位未列于此, 请向您的图书馆咨询台或信息咨询服务平台查询如何远程连接 ProQuest." (If your organization is not listed here, please contact your library help desk or information service platform for information on how to connect to ProQuest remotely.)

(3) 进入复旦大学的统一身份认证登录界面，输入学（工）号和密码（与 UIS 密码一致）。

(4) 验证成功后就进入 ProQuest。
